

# ANNUAL REPORT 2020

Families for Families

# MISSION

We are a 501c3 nonprofit linking families from more affluent areas with families trying to make ends meet, not just providing material goods, but bonding families from different backgrounds. Our mission is to harness the immense generosity and compassion we see in our hometown and surrounding area and use it to improve the lives of those in need. We particularly focus on helping families/individuals served in homeless shelters, individuals in subsidized care and families receiving public assistance.

## MESSAGE TO OUR DONORS

I would like to thank all of our donors and volunteers for the support you have given this year! Your help enabled us to expand our programs and the number of families that we serve and for that we are truly grateful!

Although 2020 was a year that most of us would like to forget, we were amazed at the generosity of our community to come together to help those who were facing extreme hardships.

You donated over \$44,000 in 2020 to help us put food on the tables of struggling families, transition families out of shelters and even purchase a new truck! You also gave of your time sorting and delivering groceries, organizing donations, moving furniture and housewares and more.

With your help, we were able to provide biweekly groceries to over 40 families, we helped 40 families transition out of homeless shelters into new apartments that your donations helped make into homes, created a clothing closet with dona and were able to provide birthday gifts and holiday joy for many more families.

Thank you for being part of our family!

Sincerely,  
Cristyn Madley  
President
